FROM: Rachel Ellis, Chair, ACEC/MD Awards & Recommendations

SUBJECT: Call for Nominations for the **2015 ACEC/MD Young Professional of the Year Award** Competition

The American Council of Engineering Companies/Maryland is soliciting candidates for the 2015 ACEC Young Professional of the Year Award. This award recognizes the accomplishments of our young engineers by highlighting their interesting and unique work, and the resulting impact on society. The 2015 recipient will be honored at ACEC/MD's Awards Banquet February 19, 2015.

The 2015 ACEC Young Professional of the Year Award will be held in conjunction with the National Engineers Week Foundation's New Faces of Engineering 2015 competition. The ACEC Young Professional of the Year is an ACEC program that is separate from the National Engineers Week Foundation's New Faces of Engineering program. However, the five winners of the ACEC Young Professional of the Year Award will become ACEC's nominees to the New Faces of Engineering competition. Hence, all nominees for the ACEC Young Professional of the Year Award must agree to participate in the New Faces of Engineering program. More information on National Engineers Week can be found at www.eweek.org.

Attached is a copy of the program guidelines, the nomination form, and checklist.

The 2015 ACEC Young Professional of the Year award information is posted on ACEC's website--<http://www.acec.org/awardprograms/young-professional-award>.

All nominations must be electronically submitted to Daisy Nappier, ACEC Committee of Fellows, at dnappier@acec.org no later than Friday, October 3, 2014. Contact Daisy Nappier at (202) 347-7474, if you have any questions.
